Terms and Conditions of this Quotation

1. Prices based on delivery of items, in stated quantities, within a three month time frame, unless otherwise agreed to between the customer and Silicon Valley Mfg.
2. Quote lead time is based on receipt of purchase order and solid models.
3. Reflected in this quote is the cost savings of having files/models provided.
4. If Solid Models/File can not be provided please inform us so that we can quote the additional Engineering Charges required to create the models/file.
5. On Scheduled Deliveries, quantities must be such that a minimum of \$150 is reached per part number, per delivery.
6. Cancellation charges may apply based on time and materials.
7. No orders may be rescheduled out (due dates pushed-out) when material (s), time/labor, and other factors constituting cost have been committed, within 30 days of the due date.
8. Please submit order discrepancies to our customer service department within 72 hour after receipt of parts.
9. Based on current credit approvals, general terms are Net 30 (unless otherwise agreed in writing). First time orders may be COD unless timely submittal of credit information allows for timely credit check and approval.
10. This quotation is good for 30 days. However, prices are subject to change based on sudden increases in material and other factors beyond Silicon Valley Mfg's control.

Please review this information. If you have any questions, please do not hesitate to call us at the above number.
